

NEW Map – Directions – Parking Instructions

6 July 2017

California Extreme Precipitation Symposium, UC Davis Conference Center

Due to road construction on UC Davis campus, Exit 71 off Interstate 80 does not connect to the Conference Center this year. Take alternate route described below.

CEPSYM will be held in the **Conference Center** – same building as **Welcome Center**. Look for the **Welcome Center** signs as these are larger and easier to see.

Parking permit is **required**. Get your permit from attendants at lower entrance to *Gateway Parking Structure* off **Hilgard Lane (7:15 am to 9:00 am)** – If you arrive later, park, go to Conference Center to get a permit from the registration staff, then return to your car and place the permit on your dashboard.

Directions:

- From **I-80** take **State Hwy. 113 north** toward Woodland.
- Take **Hutchison Drive** exit. Stay in **right** lane. Merge onto Hutchinson Drive.
- At **2nd** traffic signal, turn **right** onto **La Rue Road**.
- Follow La Rue Road to **stop sign**. Turn **right**. Go over bridge (Putah Creek).
- Straight ahead to **round-about**.
- Go **left** using round-about onto Old Davis Road.
- Turn **right** onto **Hilgard Lane**.
- **Left** to **Gateway Parking Structure**. Get parking permit from attendants.
- Place permit on **dashboard**.
- Park on **level 2 only**. (If structure is full, use one of two parking lots at end of Hilgard Lane.)
